- 3) If registering as a non-premium vendor (not a premium sponsor registration), you will be assigned your table on a first come-first served basis starting August 1st. If you do not wish to pay for a premium location, however, you want to ensure your table is assigned prior to August 1st, you may choose any of the tables in black.
- 4) Beginning August 1st, remaining tables will be assigned according to non-premium vendor's original date of registration and original table choices. Vendors will be contacted if all of their original table choices are no longer available.
